## DEDICATION

With deep appreciation, we, the staff, dedicate this 1966 FALCON to Mr. Jones, who for nine years has served Van Horn as a business education teacher. During those years Mr. Jones gave his time and energy to advise and sponsor the FALCON yearbook staff. It was through his efforts that Van Horn established a pattern of outstanding yearbooks.

**School Motto**  
**“DARE**  
**to be**  
**WISE”**

**SCHOOL SONG**

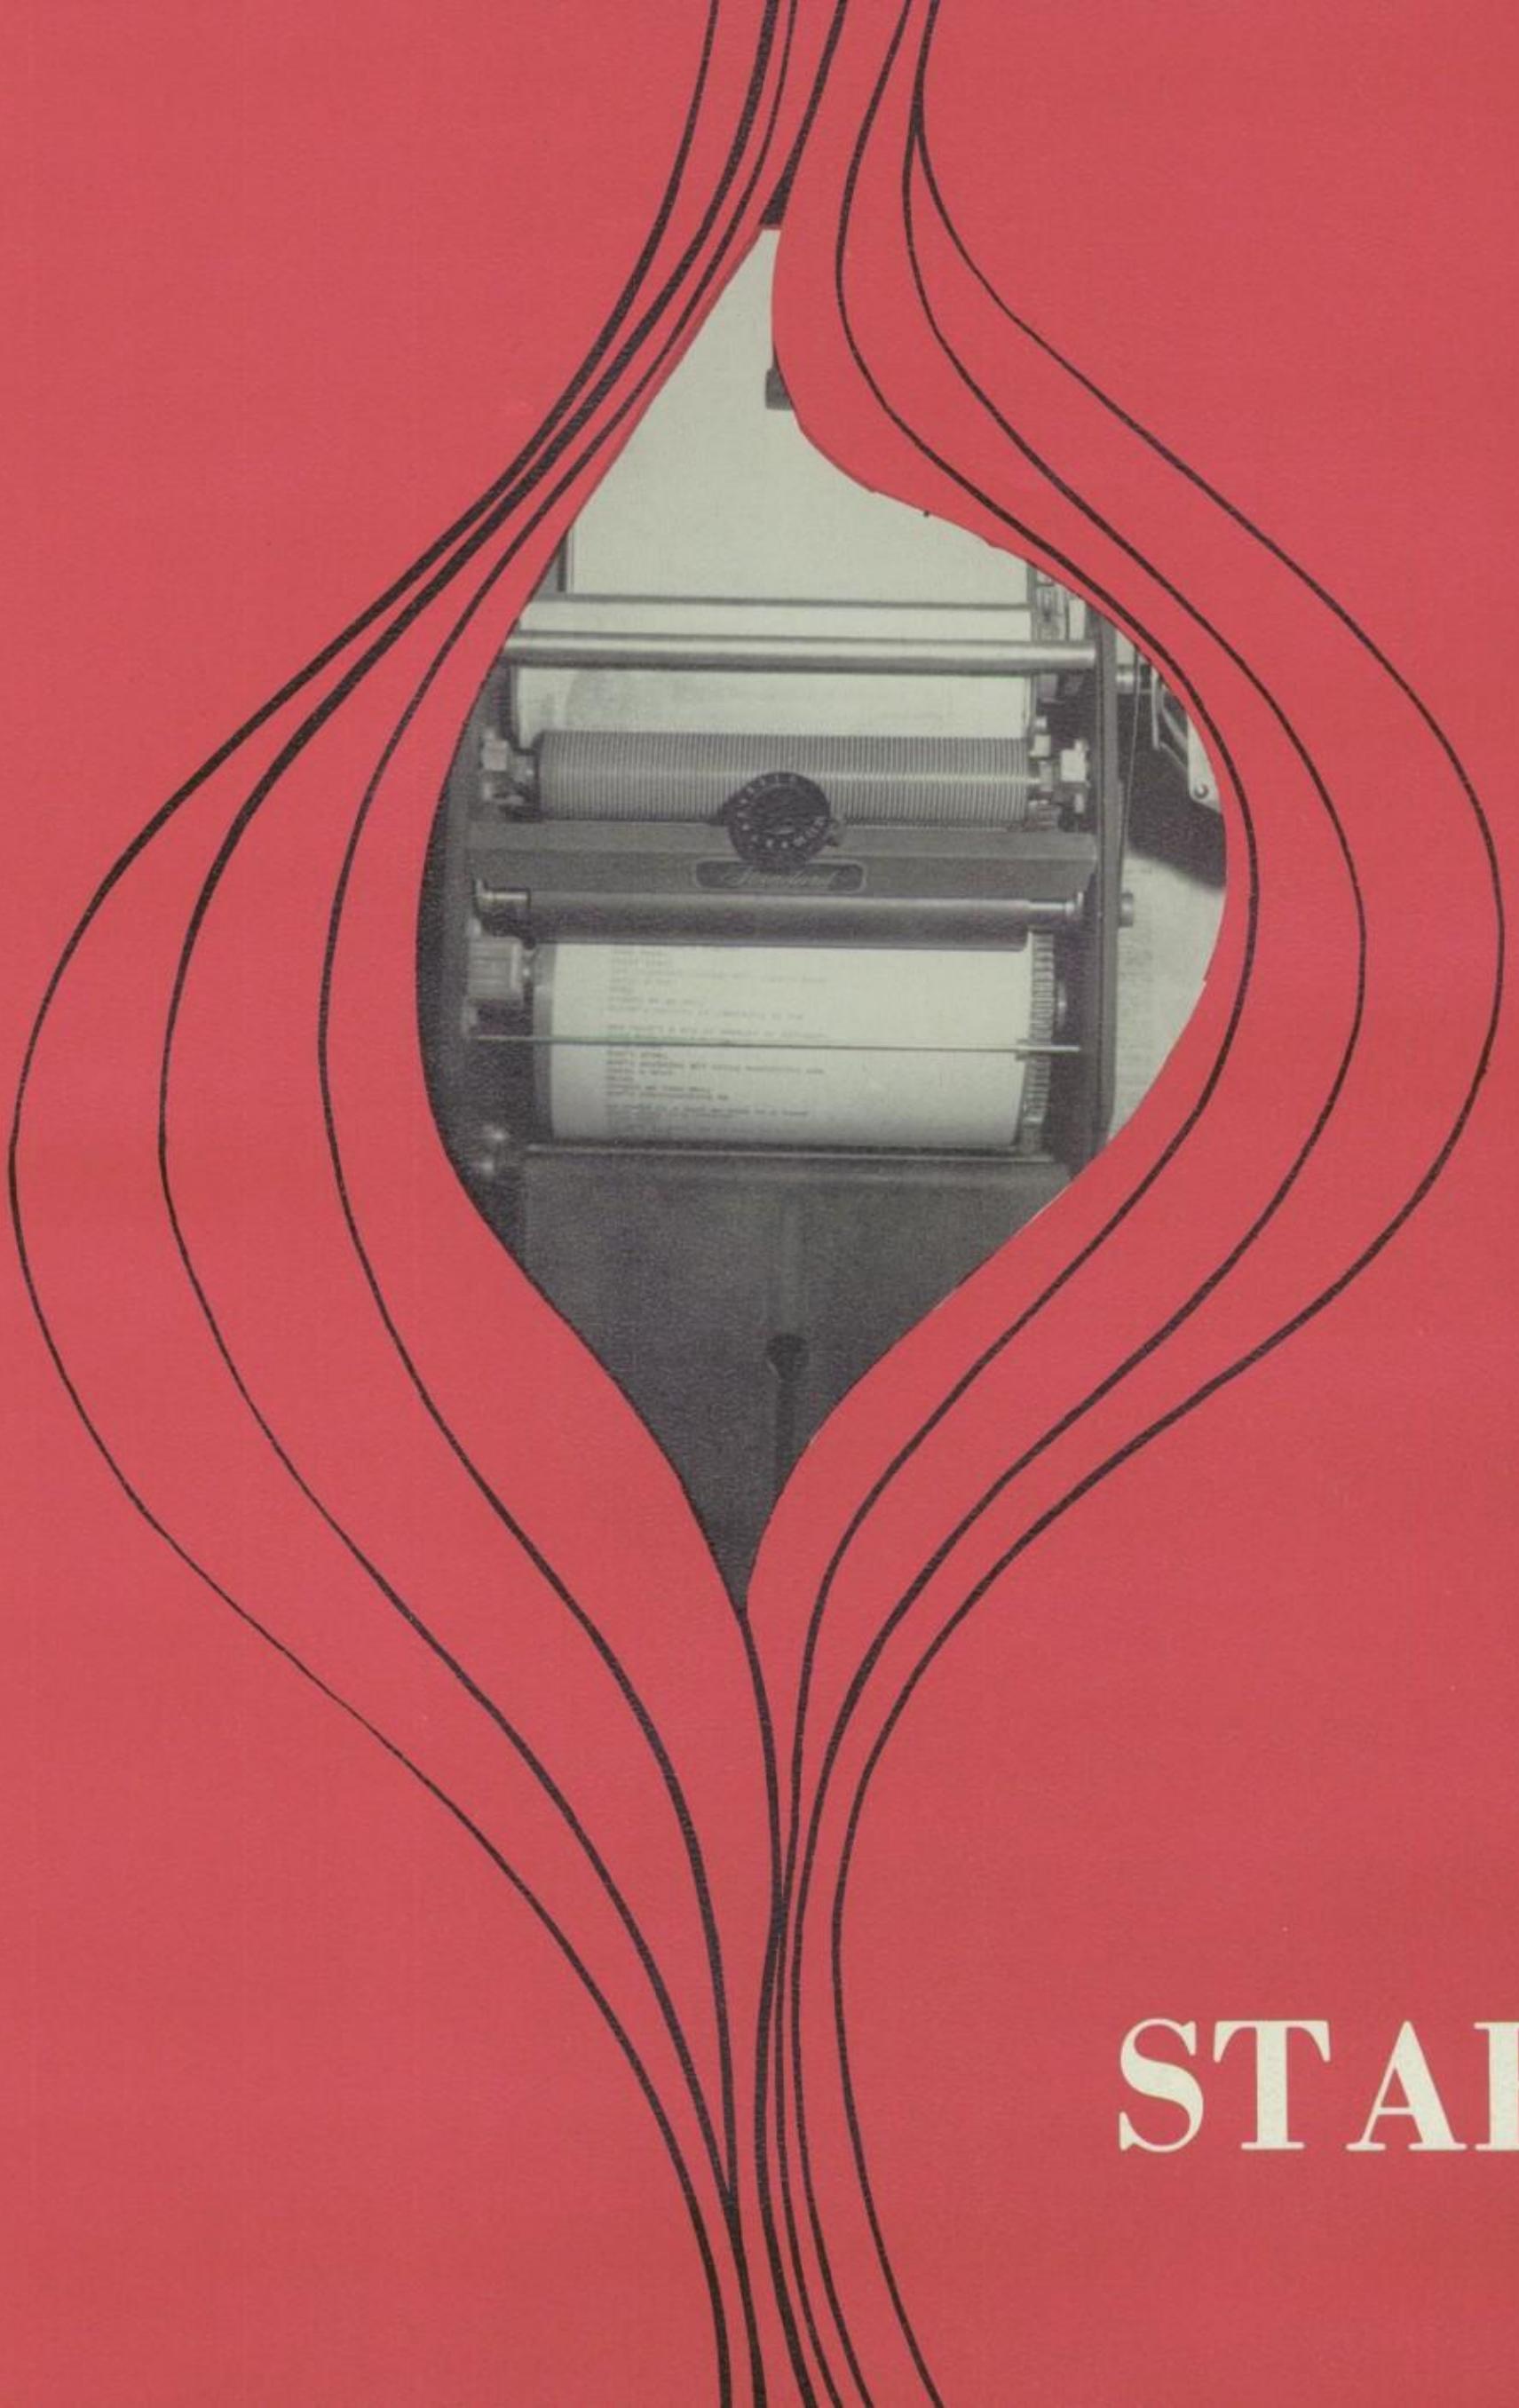

*Proudly as the Falcon  
Wings his flight on high,  
Let our song be swelling  
Upward to the sky.*

*Sing we of our praises  
Of the school most dear,  
We will spread the glory  
Of Van Horn far and near.*

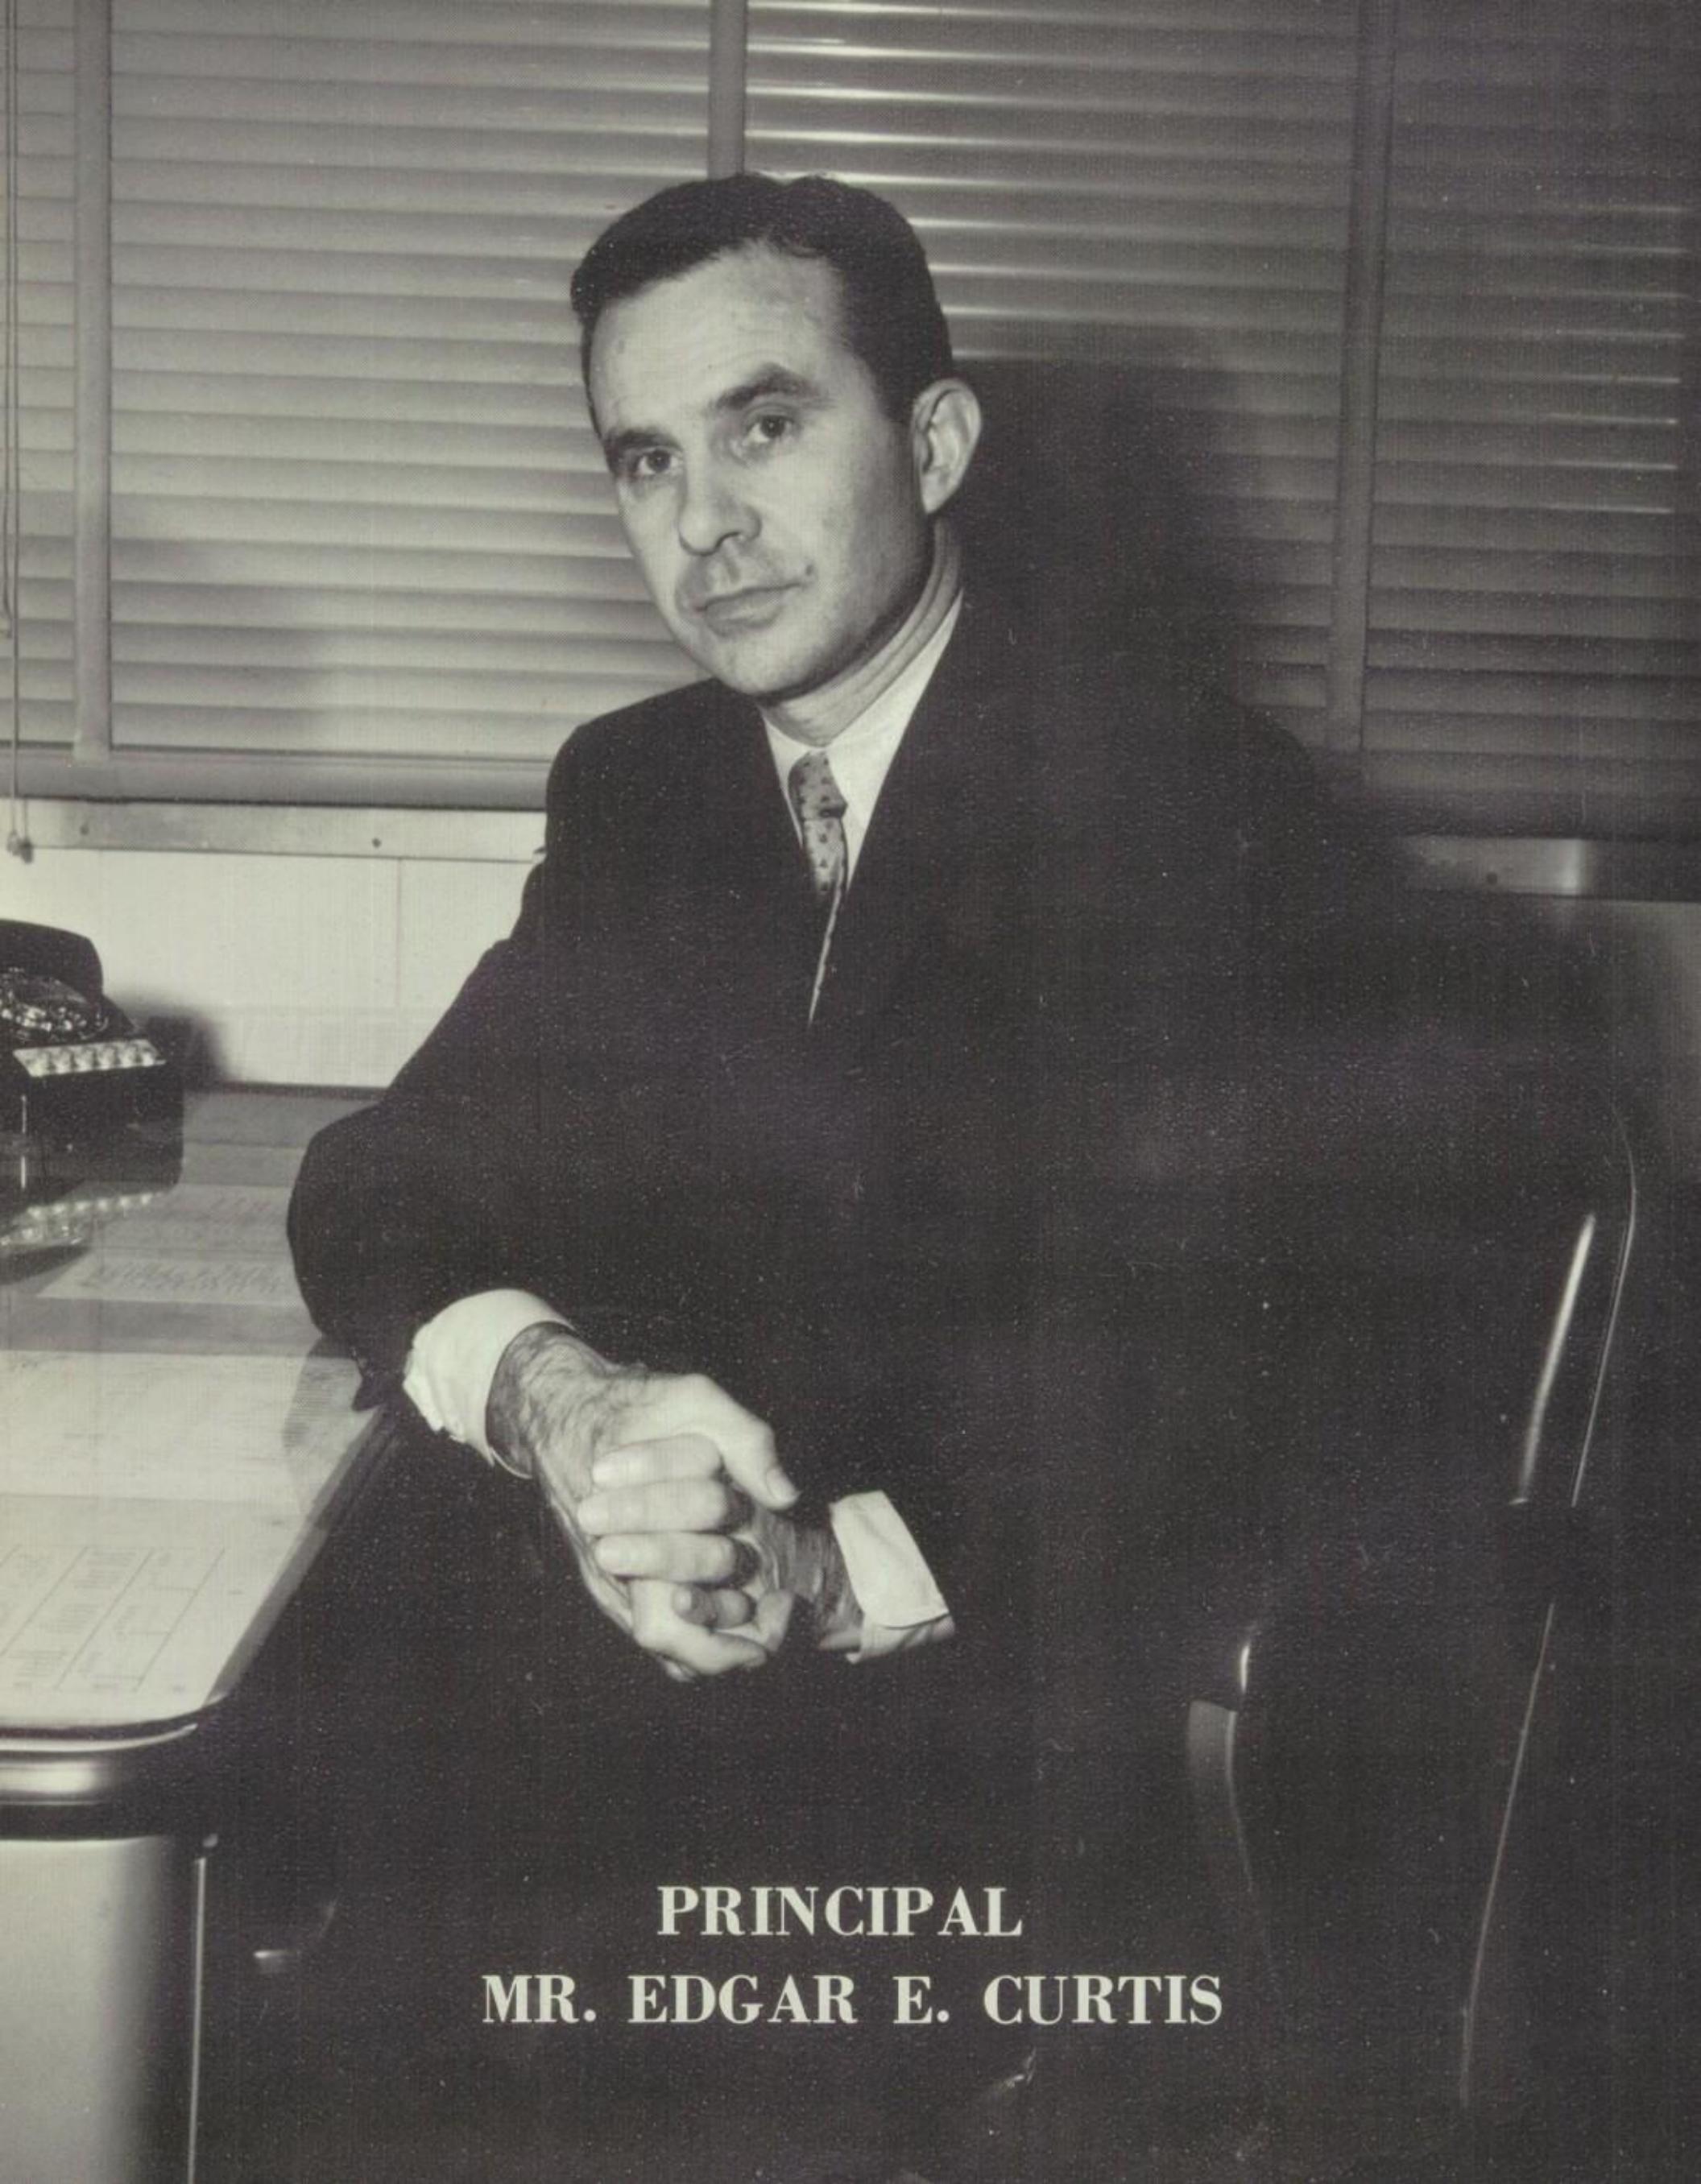

*You have set dear Van Horn,  
A challenge for us all,  
A height to strive and reach for,  
Rising ne'er to fall.*

*Let our hearts be true  
To the red and gray,  
Loyalty to thee  
We will show each day.*

## LIBRARY STAFF

MRS. NADINE PHIPPS

MRS. EILEEN MARSHALL

MISS MARY KREEGER  
Head Librarian

MR. MYRON SCOTT

MISS DARLYNE LA GRECE

MISS MARGARET WHITEFORD

MISS PATRICIA GUNTHER

With this year's large student body, the office staff had a difficult job. The many school records had to be kept accurate and up to date. These numerous office jobs were executed by the four school secretaries. They worked together for the overall maintenance of office records, yet each had a specific job: Mrs. Smith was in charge of the attendance records and excuses, Mrs. Thomas was the school's correspondence secretary, Mrs. Amermon was the school registrar, and Mrs. Dunkerly was financial secretary. These women served as an important part of Van Horn; without their efforts the school would have been inoperative.

The six members of Van Horn's library staff were directed by Miss Mary Kreeger, the Head Librarian. The biggest job of the staff was not checking in and out numerous books, but rather the selection and ordering of new books. An increase in the book budget this year enabled the library to purchase more books and additional copies. In order to select new books, book reviews had to be read and meetings had to be attended at the downtown library. A great many hours of work went into Van Horn's school library, and Falcons showed their appreciation by co-operating with the staff and the rules of the library.

The Parent-Teachers' Association helped Van Horn students with many of their school functions. The purpose of this group of interested mothers was to bring about a closer association and understanding among the high school teachers and the students' parents. Under the direction of Mrs. Elmo Lampton, the PTA mothers sponsored the annual Paperback Book Fair and the Senior Party. This familiar organization has become an important part of the school system.

Are you sure I'm praying in the direction of Mr. Curtis' office?

Well, we have to eat it too!

They said, "Junior Erector Set!"

In the absence of heat your finger will freeze to anything—uh, even a blackboard.

And this, all my darlings, little kiddies, is a sling shot.

After the flour, add two eggs.

Our Hero!!

I ate Super Dog!

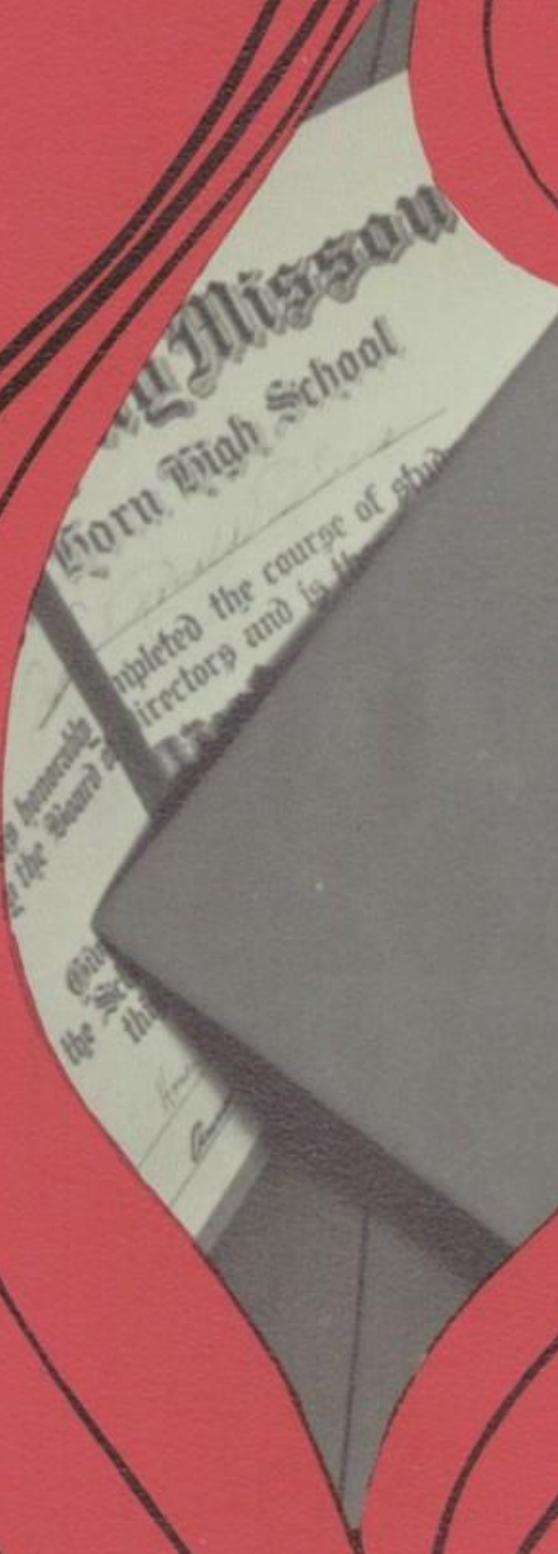

Book him!

Money, Money, Money.

I know I had a hall pass!

## OLGA EUGENIA ZEPEDA AMERICAN FIELD SERVICE STUDENT, 1966

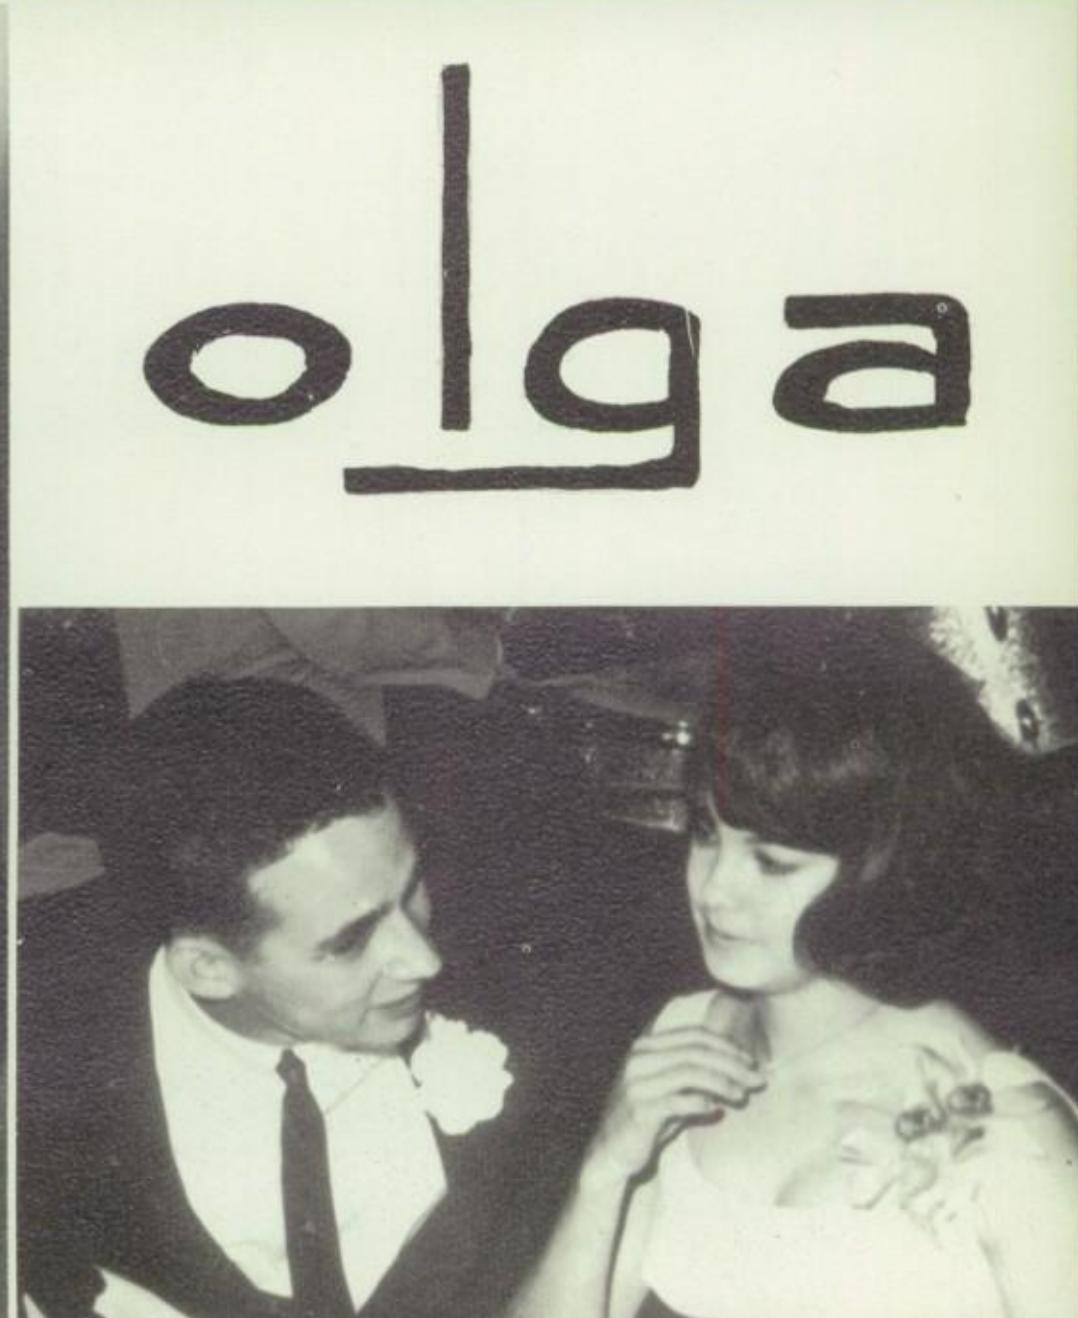

Even while at home, before I was to come to the United States and Independence, I was afraid. I worried about how little English I spoke, what my American family would be like, and about Van Horn. Coming across the United States by bus, I know each A.F.S. student watched other students meet their new families and wondered what his own would be like. Then we arrived in K.C. and I met Cathy and my family. I was so happy and relieved as they welcomed me with open arms as I ran to them, knowing that from that time on all would be well with me.

That first day in my new home impressed on me how little English I knew. I could hardly talk to my family and my first Van Horn friends waiting at home to greet me. I began to realize how much help I was going to need. Students, friends, and especially my teachers have worked very hard and in extra ways to help me with English and all my subjects. I want each one to know how I appreciate all the time and effort that they have spent with me. I can remember long hours that Cathy and I spent talking, each of us with a Spanish-

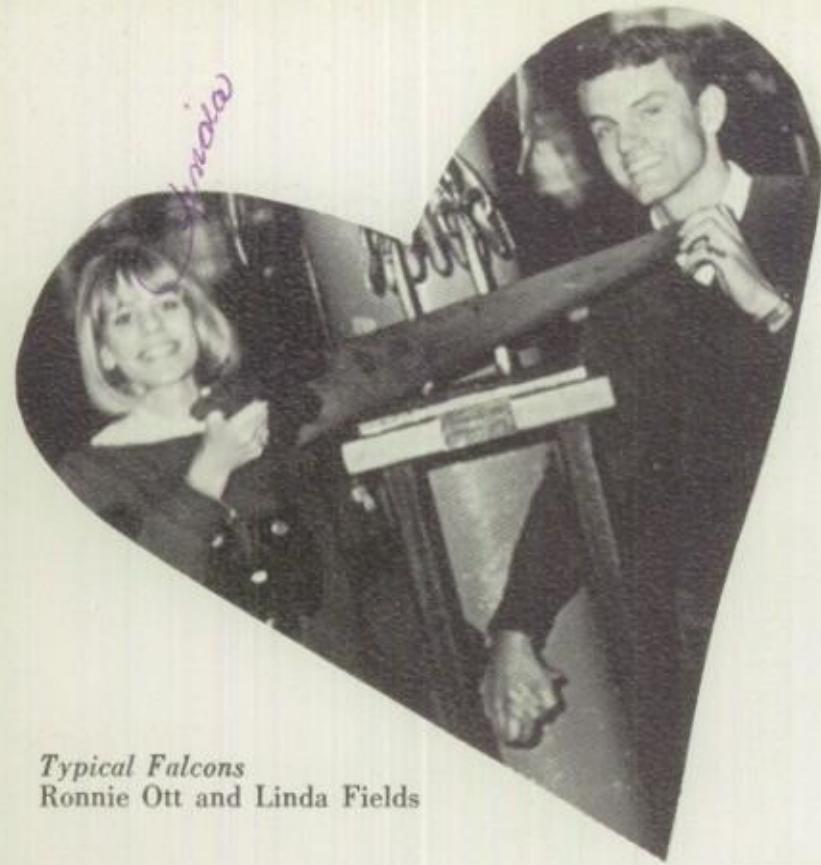

English dictionary. I kept this dictionary with me all the time, now it has become just another book to help on occasions. I remember, at first, football scared me too. I thought it was a big fight, but now I understand it a little better and I love it. Basketball, too, I have found to be thrilling because our team played so well.

I know I'll never forget all the friends I've made in Van Horn and all the new exciting things I've experienced as an American. I've visited many schools here, but Van Horn holds a special place in my heart, and I'm sure I was the luckiest A.F.S. student in Kansas City because I was chosen for Van Horn. When I return to my home in Guatemala, I am sure I will be a good ambassador because I only have wonderful things to say about Van Horn, Independence, Missouri and all of the United States, especially my wonderful American Family. As a sentimental Guatemalan, I want to thank each person who helped in any way that made it possible for me to spend this year with you. I hope with all my heart you have enjoyed me as I have *all* of you.

*Love  
Olga Eugenia*

The staff members of the 1966 Van Horn FALCON have had their laughs looking at the candids of fellow Falcons and their tears the day before deadline. All-in-all they present their efforts to you in this yearbook. The Staff's experience of learning while producing is one they'll never forget.

Each of the nineteen staff members had a particular section of the yearbook to do, but during the course of the year everyone's ideas were expressed and then combined. It is hoped that this annual will recall in the years to come, all the wonderful moments in the life of Van Horn Falcons, 1966.

Bringing all the news of Van Horn activities to the student body kept the members of the PIONEER Staff hustling this year. Under the sponsorship of D. R. Smith, they produced nine issues which included articles on classroom activities, student opinions on varied subjects, and movie reviews. Their stimulating editorials induced thinking among the Falcs while entertaining them. These busy journalism students have useful skills that will prove valuable in later situations.

D. R. Smith, sponsor, and Olga Zepeda view an issue of the PIONEER.

Row One: Pat Brockman, Mary West, Jo Frank. Row Two: Connie Williams, Sharon Welch, Sherry Fries. Row Three: Dianna Newby, Mrs. Jost.

The Nurse's Aides were sponsored by the school nurse, Mrs. Doris Jost. Using basic first aid methods, the eight members of this group assisted Van Horn students who were ill or injured. These girls also helped to keep school health records. The experience they gained will benefit them in the future.

Cooperative Occupational Education was offered at Van Horn this year during first, third, fourth, and sixth hours. More familiarly known as COE, this course was designed for those students who are not planning to attend college or who need to earn money to do so. Under the direction of Mr. Amos and Mr. CawlfieId, the students learned what is expected of a good employee in various fields of occupation. Through this program the students spent a portion of their day at Van Horn, then the remainder at their prospective jobs. The working experience acquired daily has proved to be beneficial to the students in the future.

## THESPIAN ASSEMBLY

### ARIA DA CAPO

The tradition for Thespian Assembly has been to perform an experimental theater for the entire student body. This year Thespians presented "Aria Da Capo" by Edna St. Vincent Millay. The title means a theme with its variation, then a repeat of the beginning theme. Requiring only a table for the setting, this was an experiment with an extremely symbolic one-act play. The author divided the play into two sections in order to emphasize her theme. The first section illustrates self-centered silly people, while the second shows how walls are built between people and nations. Van Horn's Thespians showed through the expressions of this play the selfishness and pettiness evident in the world.

"Me Toop? You mean you're not Toop, Toop?" Confusion abounded in Van Horn's second annual Fall Play, "See How They Run," by Phillip King. Swift in action were the American actress and an actor, a cockney maid, and four men in clergymen's suits as they galloped in and out of the doors of an English Vicarage. Proceeds of the production, directed by Robert Klamm of the Speech Department, again were donated to the American Field Service Club.

VAN HORN VANTASIA SHOW  
FRIDAY, SATURDAY  
JANUARY 20-21 11 P.M.

ANOTHER OPENING,  
ANOTHER SHOW

"Another Opening, Another Show" was the theme for Vantasia 1966. Presented on January 20 and 21, Van Horn's annual all-school variety show drew large, receptive audiences. The various acts exhibited the many talents of Van Horn Falcons. This year's show featured four Master's of Ceremonies. They were able to tie together the uniquely different acts ranging from an interview with Superman to a Lively trumpet solo to a shop of dancing "senior" dolls. It proved a worthwhile and interesting experience.

## SKIN OF OUR TEETH

Bev Miller  
*Interpretive Director*

Kathy Carter  
*Technical Director*

"Milk the Mammoth!" screamed Sabina the maid of "Skin of Our Teeth," the 1966 Spring Play by Thornton Wilder. The speech department worked in detail to produce this skillful production on March 11 and 12. From the Ice Age to the Great Flood to a world war, this production was filled with surprises for the actors as well as the audience. This play presented entertainment to Van Horn students in the form of symbolic characters and movements. As in the past, this play proved to be entertaining to all.

## LITTLE MARY SUNSHINE

"Little Mary Sunshine," the 1966 Spring Musical, was a most enjoyable musical comedy. The delightful characters in their colorful costumes were only one portion of the excellent production. The cast of the musical, showing Falcon singing ability and musicianship, was the outstanding factor. The play is a satire of Nelson Eddie and Jeanette McDonald, as well as Gilbert and Sullivan Productions. This typical melodrama has the conflict of the overdue mortgage payment, which finally unites lovers in a triumphant ending. With the waving of the flag, singing of "My Country 'Tis of Thee," and the rehabilitation of the evil Indian, Yellow Feather, all is successful. "Little Mary Sunshine" offered Van Horn students all they could want in a musical comedy: Indians, Forest Rangers, fine Ladies of East Chester Finishing School—a very outstanding production.

"Dare to be Wise," the Van Horn school motto, was best exhibited by the Student Council. Indeed the largest and most important organization of the school, the Student Council had an increase in its membership in 1966. Representing Van Horn's three classes, the Student Council planned the many activities in which the student body participated. Sponsored by Mr. Riggs, this year Stuco tried some different activities. New this year was an activity ticket. This ticket enabled students to have a reduced price on their tickets when bought in advance. Also for the first time this year, the Student Council decided upon an afternoon Homecoming. This year a Handbook was combined with the traditional Student Directory. It proved through the eyes of Van Horn's Student Council to be a very successful 1966.

## AMERICAN

1966 brought Van Horn its fourth foreign exchange student through the American Field Service Club. A leading school organization, A.F.S. worked to promote peace between nations by bringing students to America and taking American students abroad. The club, sponsored by Mr. Riggs, had a large number of active members to welcome Olga Zepeda, this year's exchange student from Guatemala. During the course of the year, the A.F.S. club worked to raise money for next year's student by such projects as Fall Play profits, selling Bells for Peace, sponsoring a chili supper, and A.F.S. week. Through the efforts of the club, both the foreign visitor and the students had a learning and lasting experience.

The National Spanish Honor Society had a two-fold purpose: promoting international relations on the one hand and encouraging the study of Spanish on the other. It was of importance this year for the members to try to start a National Society at Nowlin Junior High School. The money from fund raising projects was sent to one of the international organizations to help the South American students receive some of the educational necessities. In one of their monthly meetings the club spoke of having a Spanish literary contest. The entries would all be written in Spanish and then judged by Van Horn teachers who speak this language.

## JUNIOR CLASSICAL LEAGUE

The Junior Classical League, most often called the Latin Club, had an increase in its membership this year. The purpose of the organization was to promote an understanding of the ancient cultures of Greece and Rome, as well as showing the debt of our own culture to those of past civilizations. This year the club, sponsored by Mrs. Mullen and Mr. Medina, worked on writing a Junior Classical League Constitution for Van Horn's branch of the National J.C.L. A highlight of the club's meeting was often a game in Latin, such as Latin bingo or scrabble

The Home Economics Club had a busy 1966 year. Sponsored by Miss Whelan, the club's purpose was to enrich the lives of those prospective future homemakers. The Home Economic classes chose Janice Atherton Miss Homemaker 1966. This year an award was given to the girl that turned in the best project pertaining to some aspect of homemaking. Much beneficial knowledge was gained by the members of this club.

Mu Alpha Theta, Van Horn's chapter of the national math club, was sponsored by Mr. Kaifes this year. Regularly meeting each Thursday morning, members of this organization worked some problems which appeared on last year's national math test. It was the goal of this organization to have its members score among the highest in the nation in 1966. Last year one Mu Alpha scored the highest in Kansas City. The test was sponsored by the National Society of Actuaries and was given on March 10, 1966. The highest ranking students in the nation received trophies and plaques. The Math Club members concluded that they learned something from this experience.

In the fall a tournament was held at Van Horn with Raytown as the guest school. The club's number-one player was paired with Raytown's best player. The club members gained additional experience in chess playing in the tournament.

## Radio Club

This was the third year for Van Horn's Amateur Radio Club. Pictured here are only six out of the fifteen members of this organization. The purpose of the Radio Club was to promote interest and understanding in amateur radio and its related fields. With the help of their sponsor, Mr. Coleman, one of the club's activities was obtaining amateur radio licenses for each member. It was the goal of the club to increase its membership in future years.

Van Horn's "Spirit Ribbon" was its Pep Club, sponsored by Miss Marlene Mawson. The purpose of the Pep Club was to support the athletic teams at Van Horn and to promote school spirit. This year the "B" Team Pep Club was combined with the Varsity Pep Club to make a most effective cheering section. The new Freddie Falcon, a costumed club member, was ever-present to lend his part in support of our winning team. Dressed in the familiar red skirts and white sweaters, the Pep Club's enthusiastic yells cheered many a Falc team member to do his best.

Win or lose, Van Horn's gridiron players exhibited teamwork and sportsmanship in every game. With six wins and two losses, Van Horn's Varsity Football Squad ended the season with a tie game with Southeast, placing second in the Interscholastic League. This was Herb McCoy's first year as the head football coach with Joe Klein, the assistant coach. Aided by the diligent efforts and helpful guidance of the coaches, this year proved to be one of the most successful seasons in Falcon football history.

The margin of victory in this scholastic league game at stadium was Terry Shear's extra-point boot. But there times when it appeared it would be lost in what fast shaping up as a cross-country exhibition.

yo-yo like fashion, it went this:

Northeast struck with aay in the third period. The Rick Beagle pounced on a punt at the Falcon plays later (plus

From that point on, the game turned to the defensive struggle that characterized the opening 27 minutes, 32 seconds ...

The victory gave Van Horn a record in league play and kept alive its chances at a slice the title. The defeat left Northeast with a 2-3 loop mark.

Defensively, the key was Van Horn's ability to block the corners on Northeast, a move that prevented the Vikings from turning loose Tony Ciccia, their :09.9 winner.

Relying for the most part on a man front, Van Horn used Gary McKee and Bill Hickman on the ends, with Charles L. Olivares, Terry Seward and French handling the middle. It was an outside wall that limited 86 yards rushing.

Van Horn engineered threats in the second half with interceptions by his 15 and Mike 7 turned back to additions. Northeast's defensive plays by, Zane Zuber, Steve and Dave Bond.

**Van Horn Now 3-1**  
Van Horn moved its Interscholastic league record to 3-1 with a 27-6 victory over Manual last night on the East field.

Kenny Shaw scored two touchdowns to pace the Falcons. He caught a 28-yard pass in the first quarter for one score and got the other in the third quarter on a 4-yard run.

Manual averted a shutout in the fourth quarter when John

McCoy's improved Falcons can nail down second place in the City League Friday night. Such a feat would be a high-water mark for the school.

But to realize this lofty finish, the Falcons must do what none of their predecessors have been able to accomplish—beat Southeast.

True, the Falcons still have an outside shot at a co-tie. But it would take a Van Horn 12, a great effort coupled with a good up-field Central.

Ex-Cardinal Jim Kellon ex- from the 10-yard line to the 10-yard line, and the Falcons were joined by teammates and a guard.

That was Van Horn's happy Herb McCoy speaking in sizing up his Falcons' 19-6 Interscholastic League victory over defending kingpin Southwest Saturday night at Southeast.

"Everyone did a good job," McCoy continued although terming the defensive work of Terry Seward and Jim Brummitt and Steve Eckinger's running as deciding factors in the outcome.

Seward and the Falcon backs, R. B. Kramer 60-yards, the Southwest 20 yards in the third period.

The turning point in the game, according to McCoy, was the third period.

The Falcons put Southwestern in a bind and gave our backs the room they needed to move forward.

At 10:30, the lead was 13-10, and the Falcons had a costly o

pening drive. The ball was recovered by the Southwest quarterback, who suffered a broken hip and is listed as doubtful for next week's game.

McCoy said, "We'll start again."

Galen Young opened Falcons' final-period rush plunging over from the 10-yard line and Terry Shea kicked the extra point.

Keith Leippman then passed down a 46-yard pass from Van Marquis to bring Knights back to within one point.

Then, Eckinger, who picked up over 100 yards rushing, ran 51 and 35 yards for touchdowns and the Falcons were home free.

## TITANS MOVE ON GROUP

**Van Horn Absorbs 26-6 Back From De La Salle**

De La Salle's Mike Harleman plunged three yards in the second period for the tie-breaking touchdown and the Titans went on to score a 26-6 victory over Van Horn last night at the field.

The score, snapping a 2-2 tie, came with less than 2 minutes to go in the first half and maximized a 67-yard drive that featured by Mike Rebori's running and Beach's ball carrying. Fullback Beach was the ground gainer with 70 yards on 10 carries.

One more task confronts the Titans. Van Horn never has beaten Southeast.

If he can accomplish that, and, with six to eight games remaining plus helping senior varsity, next year could not be so bad, either.

High Central is high on the trip Westport and possession of the championship, though still is up for grabs with a 3-way tie.

East beats Van Horn Knights and is the No. 2 seed in the Southwestern Conference.

West has made a come-back since tumbling to 25-20, whipping East and Northeast.

The big improvement comes from experience, particularly in the case of end Perry Perea, a 6-3, 195-pound senior, and Kurt Barwick, a 6-foot-4, 190-pound senior.

A young squad plus an opening schedule proved good for the Tribe, but Coach Robinson isn't kicking. He figures it helped his team and the record tends to be right.

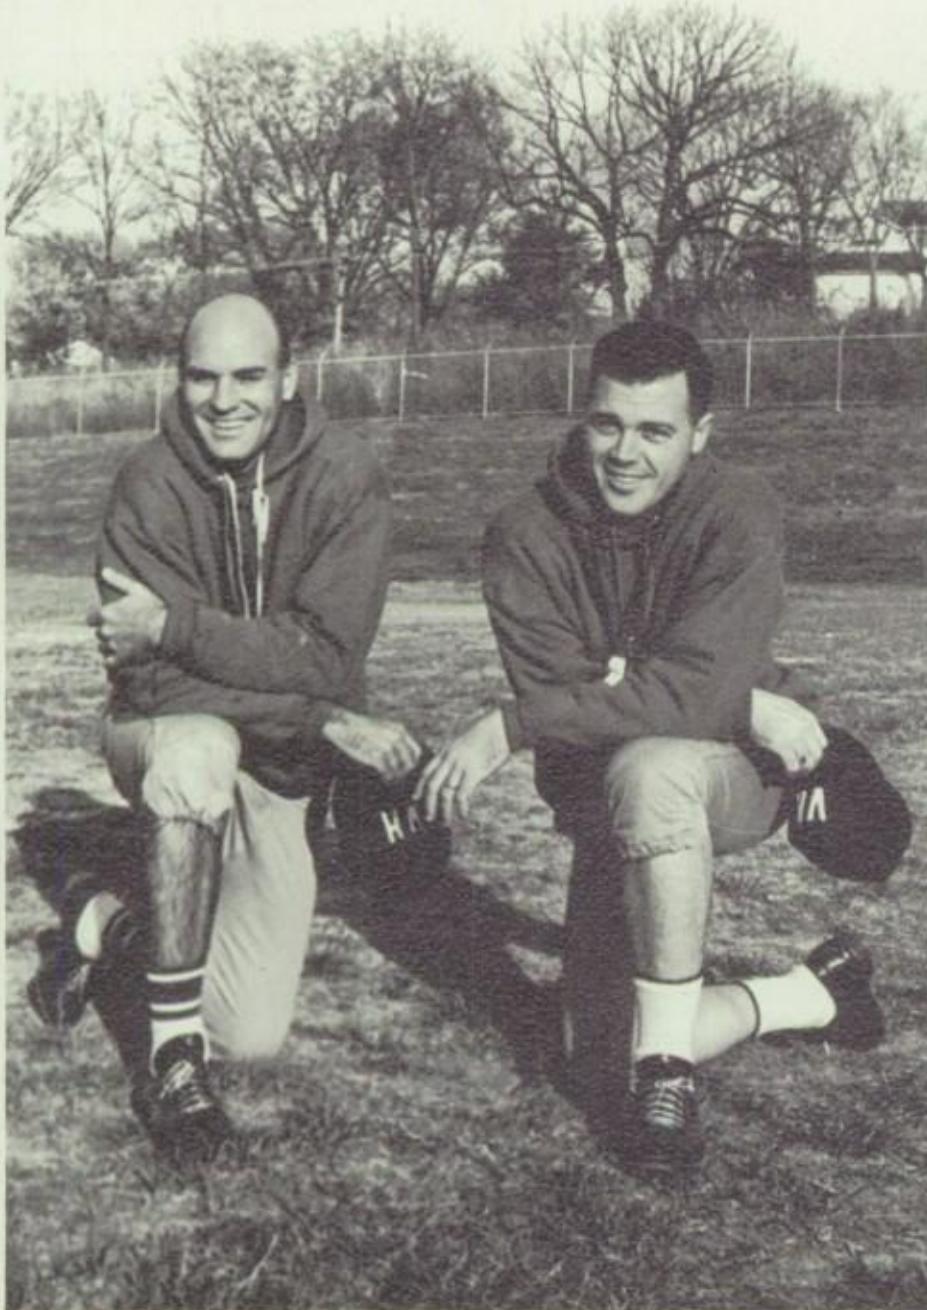

What's more, the losses through graduation will be few—at least one experienced every position and in most cases.

And he'll need them.

The Varsity Cagers of Van Horn had a tremendously successful 1965-66 season. The skilled manuevers and united team participation made the Falcon Basketball Team victorious in 17 out of 22 games played. In the last Interscholastic League game of the season, the Varsity Cagers, scoring 111 points against East, broke the Southeast field-house record for the highest number of points scored by one team during a game. Victory in the William Jewell Tournament at Liberty was one of the goals of the team; which they carried out by walking off with the First Place trophy. The team finished with a 6-3 record, placing third in league competition and captured second place in the William Chrisman Regionals. Coach Roger Wendel spent many dedicated hours to make this a victorious season.

Van Horn's Junior Varsity Basketball Team made a good showing in their games this year, although they were somewhat hindered by their lack of height. Under Coach Crawford's instruction, the team demonstrated the kind of team work, backed with desire, that prepares them for higher scale play in the future.

# VARSITY CHEERLEADERS

LINDA FIELDS

It was with skilled movements and enthusiastic yells that Van Horn's Varsity Cheerleaders rallied school spirit. The cheerleaders, working together with the Pep Club, sponsored the pep assemblies, in which students were stirred to increase their support of the Falc teams. During the summer, the Varsity Cheerleaders attended the Missouri Valley Cheerleading Camp where they received First Place.

# B-Team Cheerleaders

The B-Team Cheerleaders "Thundered" the Junior Varsity Falcons to victory. Many long hard hours were spent to perfect their cheering movements. Last summer, the cheerleaders participated in a Cheerleading camp at Jonesboro, Arkansas. They received first place ribbons every day, and on the final competition day, Van Horn's B-Team Cheerleaders received the second place trophy.

# HOMECOMING

# HOMECOMING 1965

Team work, loud cheers, decorative cars, and lovely corsages—Homecoming 1965 brought a victory for Van Horn's team over Paseo. But that's not all, for the first time Van Horn Falcons decided upon an afternoon game and parade. The sun shone brightly on the twenty cars and the Queen candidates' float. Because of the televised game and shortened time of the parade a fewer number of cars were required. Several organizations combined their efforts to make surprisingly interesting cars. The stands were filled with Falcons aglow with school spirit, and following the first touchdown the sky was filled with colorful balloons. It was at the Homecoming game that the new Freddie Falcon made his debut amid the cheers of the enthusiastic cheerleaders. The special day ended with the annual Homecoming dance and crowning of the queen in the evening.

"Tis June the month of roses, of golden sunny hours,  
Of liquid birdnotes calling, the month of sun and flowers,  
And Nature's myriad voices from field and stream repeat  
The songs our hearts are singing, Commencement Day to greet.

Right joyfully we hail thee, o long expected day,  
Yet there's a thrill of sadness that will not pass away  
For autumn's golden weather, no more for us will tell  
The hour of glad returning to scenes we've loved so well.

No more the good old friendships, no more the well-known ways;  
For us new paths must open, new duties fill our days,  
But time can never alter devotion tried and true,  
And mem'ry will make sweeter the joys that here we knew.

So, classmates, stand together, as heartily we raise  
One loyal song at parting in Alma Mater's praise.  
May Fortune smile upon her, may men her name enthrone,  
As we forever cherish her honor as our own.

MURRAY

While at Van Horn, the students viewed their high school as a major part of their lives.

After graduation the picture changed: Van Horn was but a milestone in the lives of Falcons.

Dave  
I'm sorry I never got  
back to you. I've been  
in a rut, & I just can't seem  
to get out of it.

Dave,  
Sometimes I thought  
you weren't going to  
make it through the year  
with Marcia. By some act  
of God you seemed to still  
be alive. Have a nice summer.  
Mark Warner

Well, Dave,  
Glad we made it through  
another year (thank God)! It's  
been a real different experience.  
Thanks for the show & the  
dinner the teddy bear, the  
and the connection, and all  
the other goodies! You're real  
sweet! Be good and stay  
sweet! Love, Marcia (Cat)

Dave  
I think you better  
give up

Reich

Dave,

If they had  
third year Latin

failed in math if it weren't  
for help from you once in a  
while. Thanks.

Karen
